

been amended to reflect the correct SEQ ID NO:s which appear in the Sequence Listing. The specification has further been amended to correct certain inadvertent typographical errors in various art reference citations and to recite the accession no. assigned by ATCC to Applicants' biological deposit. For the Examiner's convenience, a copy of the confirmation sheet issued by the ATCC showing the assigned accession no. and date of deposit is attached.

Respectfully submitted,

GENENTECH, INC.
